Dear Sir/Madam,

RE: APPLICATION FOR ATTACHMENT

The Department of Mathematics & Computer Science, University of Eldoret, is training students in B.Sc. in Computer Science degree.

We have identified your organization as one of the places where our students can be sent for attachment. The attachment period is from May-August 2023.We hope that your acceptance to attach the student will expose him/her to the activities related to the course of study. Further, feedback from the industry can help us identify areas of weakness and also for further improvement. We would be very appreciative if you could consider the student listed below for attachment.
